<https://betweentheposts.net/author/muhammadraza/>

Remote Football Writer tasked with providing tactical analysis and commentary over football games. Worked flexible hours across the night, weekend, and holiday shifts.

SKILLS & ABILITIES

- Logical Building and Problem-Solving.
- Programming, Data Structures.
- Data Visualization and Pattern Finding.
- Entry-level Web Development.

ACCOMPLISHMENTS / PROJECTS

- Made filters for Meta with Spark AR.
- Made a Discord Bot automate a 200-member big server-wide competition that I designed.
- Made and will soon launch an FCCU-specific website that resolves the problem of which courses to register for each semester. Used BeautifulSoup for data scraping, Bootstrap for responsive web pages, and Flask for the backend.
- Completed Nand to Tetris Part 1, Offered by the Hebrew University of Jerusalem.
